INFORMATION NOTICE - Hôtel Maitai Rangiroa

Tahiti, le 18 novembre 2026

Dear Partners, Ia Ora Na,

We are pleased to provide an update on the progress of the renovation program at Hôtel Maitai Rangiroa, which has been underway since January 2026.

We are pleased to confirm that all Lagon and Premium Jardin bungalows will be fully renovated by the end of 2026, in line with our goal of improving and modernizing our hotel offering.

On the other hand, the renovation of the Garden bungalows will be postponed and will now take place from **January to September 2027.**

This deviation from the initial schedule is primarily due to logistical difficulties encountered during 2026, most notably frequent breakdowns of the vessel that serves Rangiroa. These interruptions caused delays in the transport and delivery of construction materials required for the project.

Despite these constraints, which are beyond our control, we are continuing our efforts to carry out this renovation program under the best possible conditions and to ensure a result that lives up to our ambitions.

We would like to clarify that the hotel will remain open throughout the duration of the construction work, and we will do our utmost to minimize any potential inconvenience caused by the project.

Public areas, including the reception, restaurant, and bar, will remain fully operational, with no changes to their opening hours.

This extensive renovation aims to enhance our guests' experience by introducing more natural light, a contemporary touch, and a higher level of comfort—all while preserving the authenticity and the "Maitai" identity that define the charm of our establishment.

We sincerely thank you for your understanding, your support, and your trust. We will be sure to keep you informed about the progress of this final phase of renovation.
