Bula Vinaka Valued Partners,

Greetings from the Warwick Fiji.

Thank you for your continuing support and we are delighted to formally share with you some exciting news.

We wish to inform you that the Warwick Fiji will be undergoing some soft renovation in a few of our unoccupied rooms.

The soft renovation works will be ongoing within the year. We will ensure that the noise disruptions are kept at a minimal and be reassured that in-between these times all our guests will experience the usual fantastic service and facilities that we are famous for.

Thanking you in advance for your understanding as we strive to continually improve our product and experience for our valued guests.

Vinaka and kind regards,
The Management.
