Relaxation and snorkelling at Drawaqa Island

## Intimate cruising on the M.V. Fiji Princess

The small size of Blue Lagoon Cruises' ship, M.V. Fiji Princess, helps make a cruise with us so special. Measuring 179 feet (55 metres), she can access bays and islands that would be impossible to reach in a larger ship, getting so close to shore that we tie off to a coconut tree and you can swim to the beach! Our cruises are adults only (other than our listed family departures) and with a maximum of 68 passengers and up to 30 Fijian crew,

you know you will be well looked after. The vessel's decor is fresh and nautical, with echoes of the romantic age of cruising gone by. You only need to unpack once and then let your floating hotel take you from idyllic place to idyllic experience – every day somewhere and something different. Visit traditional Fijian villages, swim in crystal-clear lagoons and gaze out on tropical vistas you thought only existed in the movies.

## The Blue Lagoon Cruises experience

With 70 years of experience cruising the islands of Fiji, we know all the best places to take you. Our onboard atmosphere is refreshingly informal and intimate with a crew that takes pride in getting to know our guests. This cruise is all about the experiences both on and off

the ship. We don't want our guests to just see these amazing islands but truly experience everything they have to offer. Each day there are an incredible array of unique activities and excursions included in your cruise, that will leave you with lifelong memories to treasure.

## Getting ready for your cruise

Blue Lagoon Cruises cater for people of all ages and fitness levels, although you do have to be able to make your way up and down steep staircases. While getting in and out of the tender boats can require a certain degree of mobility, the crew will tailor the shore landings to suit and there's nothing wrong with staying on board for those that would prefer to relax and enjoy the scenery. On or off the ship, the Blue Lagoon Cruises team will ensure that you will have a truly memorable experience.

The dress code is casual and informal, even at dinner. We encourage our guests to wear what they feel comfortable in and to leave their dinner jackets and high heels at home. For those wanting to visit villages, for cultural reasons, we do ask that men wear a sulu (provided in your cabin) and women dress modestly with shoulders and knees covered.
