

Royale Takitumu
Rarotonga

PROPERTY FACT SHEET

Pure Polynesia, Royale Takitumu has created the definitive deserted island luxury experience. This is a one-of-a-kind destination for the discerning traveller who wants to be enchanted by the South Pacific experience, without relinquishing the very best creature comforts.

Just a few steps from your bedroom lies Rarotonga's premier white sand beach in the heart of Titikaveka, on the quiet south side of the main island. This haven stretches unbroken for some eight kilometres in both directions and borders a lagoon so clear that from the shore you can see the myriad of fish that seek sanctuary there. Here, guests are assured of unrivalled safe snorkelling and kayaking at all tides and there are no large hotels nearby so the beach is virtually your own. With 6 absolute beachfront villas and 4 just steps back from the edge of the beach, this boutique property has immaculate tropical grounds, rock pools and flowering lily ponds shaded by towering palms, breadfruit trees and exotic hibiscus feature throughout this nature lover's paradise. A perfect spot for that romantic hideaway.

OUR KEY SELLING FEATURES

LOCATION, LOCATION LOCATION

Peaceful, quiet, secluded. We are totally beachfront, Our Beachfront Villas are absolute Beachfront and our lagoon view villas are just 10 meters from the beach

THE VILLAS

10 FREE standing traditional Polynesian thatched 1 bedroom villas with kitchens, nestled amongst lush tropical gardens, lily ponds & waterfalls,

PRIVACY, SECLUSION & PERSONAL ATTENTION

Located on stunning Titikaveka lagoon & beach, with no other big resort for miles Yours may well be the only footprints in the sand. We personally meet every arriving guest day and night and can arrange almost anything for you from a private dinner for 2 in your villa, massage, weddings, special occasion get togethers with friends, tours...

Swimming & Snorkeling

Yes guests can swim and snorkel, kayak at all tides; the lagoon here is deep with plenty of fish and live coral to enjoy. Just walking the waterline you will see schools of fish
