WHERE LUXURY MEETS SUSTAIN ABILITY	() () () () () () () () () () () () () (
Resort Description:	At Ikurangi Eco Retreat you'll find:		
Award winning Ikurangi Eco Retreat is the Cook Islands first purpose-built eco accommodation and glamping hotel created to give visitors to Rarotonga the option of a getaway that doesn't compromise the environment. Set in lush organic gardens with dramatic mountain views, get back to nature and indulge in a luxurious eco escape like no other. With a firm belief in responsible tourism, Ikurangi Eco Retreat ensures that sustainability is at the heart of everything they do. Think luxury in an ultra-romantic tropical setting where visitors to our beautiful island can leave feeling like they've been a part of something that positively impacts our environment, community and economy. Ikurangi offers guests the choice of a fully furnished Luxury Safari Tent with outdoor "jungle" ensuite or a traditional Tropical Are (Polynesian style studio) with private deck. Our four Safari Tents and three Are have been strategically placed to ensure each room enjoys privacy and views of our pristine environment. For something really special, book our Ariki Safari Tent and delight in a private claw foot bath under the South Pacific stars and complimentary bubbles on arrival.	 Intimate boutique resort with exceptional customer service Beautiful private studio style room/tent with ensuites Free daily tropical breakfast delivered to your room Onsite reception and tour desk 7 days Friendly local advice on all the island has to offer Chemical free saltwater swimming pool Sun loungers and sun umbrellas Complimentary use of bicycles and snorkelling gear Daily light room service with full service every 3 days Off-site laundry service Dedicated Wi-Fi hotspot Ikurangi Eco Retreat aims to show how sustainability can work commercially without compromising indulgence: Low-energy lightbulbs, natural ventilation, plant-based products for cleaning and guest toiletries, the reuse of wastewater to irrigate our organic gardens, recycling and composting, cloth shopping bags for guests use and sustainably sourced furnishings are just some of the initiatives lkurangi offers to lessen the impact of tourism on the environment.
