GUIDED HIKES

GUIDED REEF SNORKELLING

Explore the pristine waters and coral reefs of the Mamanuca and Yasawa Islands, either at your own pace or with a guide.

Not all activities are included in all packages. Please refer to itineraries for details.

**Inclusive Packages
& Dive Packages
also come with
a BONUS day at
Malamala Beach
Club!**

The Mamanuca and Yasawa Islands have some highly memorable experiences on offer and we've included a selection in our inclusive packages. Check out the inclusion list on your chosen itinerary to see which of the Awesome Experiences below are included.

SWIM WITH MANTA RAY

A definite bucket list item! The manta ray visit a particular channel between two islands to feed during high tide. Experience these majestic creatures as they turn and glide in the waters beneath you (May-Oct).

SAWA-I-LAU CAVES TRIP

The spectacular scenery in the Sawa-I-Lau region is worth this trip alone, but then there's the magical experience of the sacred caves themselves (be brave and take the underwater tunnel through to the second cavern!). No diving experience is necessary and flotation devices can be provided.

SUNSET TUBE CRUISE

Chill out with a cool drink in hand, floating in the water, in a tube, or on the boat, watching one of Fiji's famous sunsets. A spectacular end to the day.

SNORKEL WITH REEF SHARKS

Mouva Reef is only a short boat ride from the white sandy beaches of Barefoot Kuata Resort. A spectacular site from above and below the water, the reef has an abundance of colourful fish, beautiful corals, along with whitetip and blacktip reef sharks. If you're feeling nervous, rest assured these friendly sharks are more interested in the fish than you.

Use our quick 3-step guide to choose the type of trip you prefer and how organised you'd like it to be.
