

A wide-angle photograph of the Crowne Plaza Fiji Nadi Bay Resort & Spa at dusk. The resort's main building, featuring a large thatched roof and extensive glass windows, is illuminated from within, casting a warm glow. In the foreground, a large, multi-level swimming pool with blue water and white steps is visible, reflecting the sky and the building. The pool area is surrounded by lush tropical landscaping, including palm trees, banana plants, and other greenery. The sky is a mix of deep blue and soft purple, indicating the time is twilight. The overall atmosphere is serene and luxurious.
