18th Feb 2026 - PRESS RELEASE - Last minute - Minor renovations

Dear Valued Trade Partners,

We would like to share an operational update regarding minor renovation and maintenance works scheduled at **Mantaray Island Resort** from approximately **19 February to 19 March 2026**.

These works form part of our ongoing property improvement program and will include:

- Replacement of decking boards and re-tiling where required on the Treehouse Bures
- Fresh paintwork for the Treehouse Bures and Seaside Bures
- A one-day roof replacement for the Family Bure

While some use of a nail gun may be required on certain days, this will not be continuous and will be carefully managed to minimise any impact. Where necessary, room relocations will be arranged to avoid disruption and ensure guest comfort.

All core facilities, activities, and services will continue to operate normally throughout this period. Affected inventory has been managed accordingly, and our reservations team will continue to closely monitor allocations and guests in-house.

We kindly ask that your reservations teams take note of this update and contact us should you require assistance with any existing bookings. Thank you for your continued support and partnership. Please do not hesitate to reach out if you have any questions.

Warm regards, Dani Wulf
