

Dear Partners,

We would like to provide you an update on the progress of the staged renovation of the resort, aimed at enhancing the overall guest experience.

Excited to share that we have completed the renovation of the below:

- **Basilico Italian Restaurant** has undergone a complete refurbishment, expanding its seating capacity from 58 to 100, offering more guests the opportunity to indulge in our exquisite Italian menu. The redesigned venue features both stylish indoor and scenic outdoor seating options, allowing diners to enjoy the ambiance of Italy whether they prefer the comfort of a chic indoor setting or the fresh air of an alfresco experience. Whether you're celebrating a special occasion or enjoying a casual meal with family and friends, Basilico is the perfect setting. Overlooking the panoramic view of the Mamanuca Islands, our friendly Fijian service will bring infinite smiling experiences to the dinner table, and of course not to forget our homemade Italian dining.
- **Blu Bar & Grill Restaurant**, has undergone a modern transformation that enhances its indoor and outdoor dining spaces. The redesign captures a sophisticated coastal charm, elevating the guest experience whether it be breakfast, lunch, or dinner. Key features of the renovation include expanded seating capacity, a refined look with natural textures, fresh furnishings, and modern décor that reflects Fiji's inviting coastal vibe, and improved seating and breathtaking views overlooking the pristine lagoon pool and the Mamanuca Islands.
- **Swim Up Pool Bar** -our newly refreshed Swim-Up Pool Bar is the perfect spot for guests to unwind and cool off in style. Renovation highlights include sleek finishes and contemporary touches, enhancing the poolside experience, guests can enjoy improved in-pool seating and streamlined access to their favorite cocktails and sip on signature tropical drinks crafted to complement the resort's vibrant island ambiance.

Despite these renovations, we are confident in our ability to continue delivering exceptional and memorable holiday experiences. The Adults Pool, Children's Pool, Children's Waterslide, and Infants Pool will remain unaffected by the ongoing work, ensuring that our guests can still enjoy a delightful and relaxing stay.

All other services of the resort remain normal.

We will continue to provide you an update as we receive new information. Your continued support is highly valued, and we look forward to showcasing the transformed and upgraded facilities that will further elevate the Radisson Blu Resort Fiji experience. Should you have any inquiries or require additional information, please do not hesitate to contact us.

Thank you for your understanding and ongoing partnership.

Vinaka Vakalevu,
