# Signature Weddings

For those who envision a wedding in paradise, find your dream setting in our beautiful private island, and choose from a range of intimate to grand venues for the special day.

## LOCATIONS

**Seaside Chapel** - Set in a plantation of palm trees and a private garden at the waters' edge, the Seaside Wedding Chapel is a sought-after venue for wedding nuptials.

Glass walls from ceiling to floor provide the couple and their guests with sweeping views of the majestic Pacific Ocean as a fitting background.

The chapel seats up to 40 guests. We suggest an afternoon wedding where the hues of blue, green and white are at their spectacular best, just before the sun sets.

**Takali Beach** - A stretch of white sand beach overlooking the reef is the perfect barefoot venue to exchange vows as the sun sets over the horizon. (Subject to tidal conditions)

**Takali Cabana** - A covered deck overhanging Takali Beach is a stylish venue for a small ceremony and makes a truly romantic setting to celebrate with a candlelit dinner for two.

**Reef Point** - On the lawn above the rocky outcrops with views overlooking the reef and Pacific Ocean.
