What else is coming for you to look forward to?

We are currently in the final stages of work on 'Solis' which will be our new signature seafood restaurant located beachfront. This restaurant will feature over 30 different seafood options and a wine list boasting over 200 wines to choose from.

Next to Solis we will have 'Suka' – our brand new beachfront rum bar – featuring nightly sunset live entertainment, over 100 different types of rums, including more than 40 in-house infused varieties!

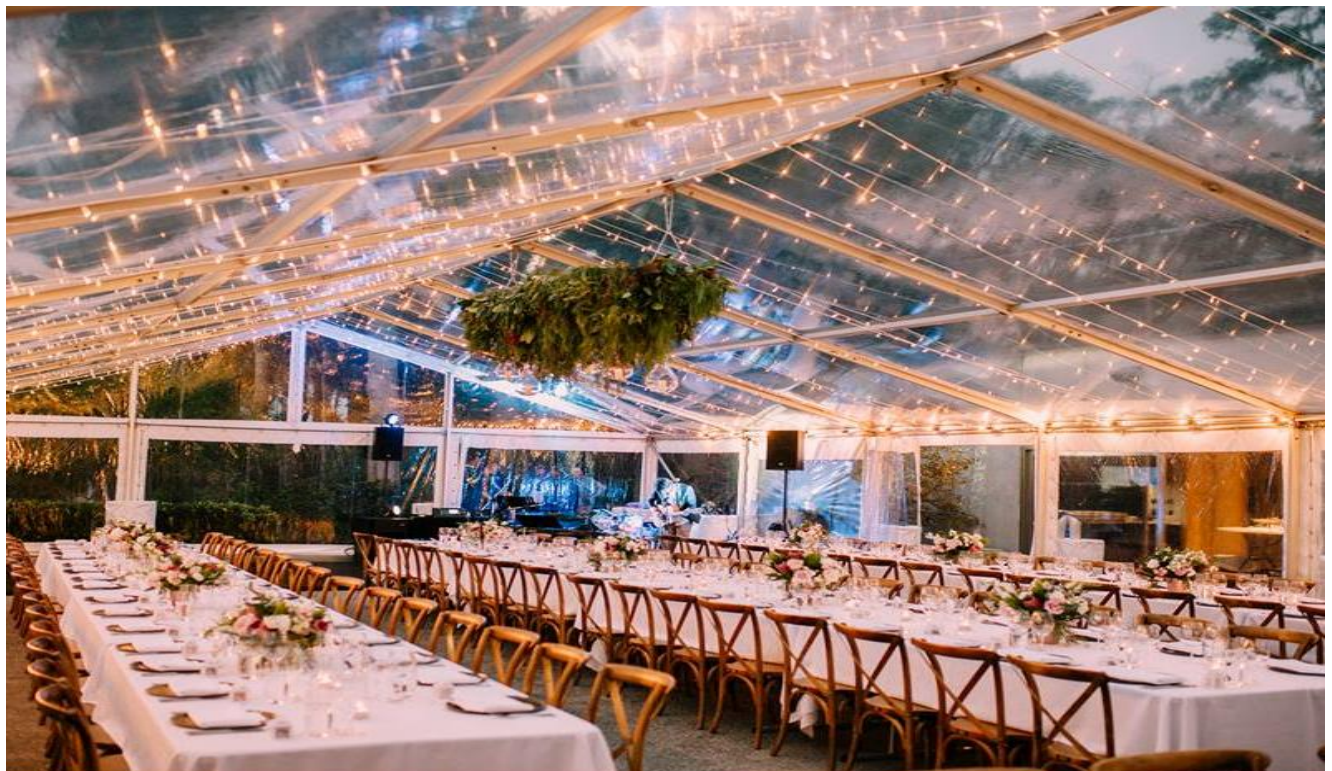

Suka bar and **Solis** restaurant will open in late June 2019.

During the months of June, July and August, whilst our main hotel building is offline for renovation we will be erecting a brand new marquee directly on the beachfront for guests to enjoy a 'barefoot' luxury experience for breakfast and dinner right next to the ocean.

We will be serving a FJD\$25 full buffet breakfast throughout the 3 months noted above.

Breakfast will include a live egg station, waffle station, champagne station and with that, a large array of cold and hot dishes to suit all palates.

In the evenings we will be serving a number of exciting buffet concepts being – Seafood evenings, Traditional Lovo nights, International food stalls, BBQ at its best, Indian delights to name just a few!

Nui Kids Beach Club

Following on from the success of Waitui Beach Club, our exclusive adults only Beach Club at Sofitel, we are in the final stages of building our new Nui Beach Club for kids. This will be located directly on the beach on the family side of the resort and will be the FIRST of its kind on mainland Fiji!

Our “Nui Kids Beach Club” will be a fully integrated play area for children offering 6 interactive play areas including: Wet & Wild, Splash & Play, Artist in Residence, The Chill Zone, Simple Pleasures, the Islander Cabana, along with a climbing wall and trampoline area on the beach. We will be offering 3 x sessions daily in the Club – 8am till 12pm, 12pm till 4pm, or 4pm till 10pm. 1 session will be priced at F\$25, 2 sessions at F\$45 and full day access to all sessions at F\$60. Rates are per child and include all taxes/levies.

The Kids Beach Club will include a brand new children’s cafe within the complex.

Children will be able to enjoy complimentary sunscreen, complimentary water and be able to snack on complimentary fruit whilst in the club. Kids Beach Club is for children over 3 years.

Nui Beach Club will be opening late June in time for the school holidays.

We have also had a few questions about our existing family pool and waterslide. Please note, our family pool and kids’ waterslide will not be affected by any renovations
