By Pearl Resorts

# LE BORA BORA

## by Pearl Resorts

Poised on “Motu” Tevairoa, only a twenty-minute boat ride from the airport and fifteen minutes across the lagoon from the village of Vaitape with our electric shuttle boats, Le Bora Bora by Pearl Resorts combines heavenly location and proximity to the mainland.

The resort boasts authentic Polynesian style and architecture and certainly offers some of the most traditionally designed rooms and villas in Bora Bora.

While overwater bungalows are Bora Bora’s iconic accommodation type, the resort also features spacious Garden and Beach Villas with Pool.

The 107 bungalows and villas are nestled in a beautiful tropical garden, on the beach and of course above the turquoise lagoon.

LE BORA BORA

# Our Philosophy

It is all about living the authentic Polynesian experience and hospitality. These two concepts are very important to us and have guided us during the renovation project of the property.

Our hotel offers 107 traditional bungalows, suites and villas, above turquoise lagoon, on the beach or nestled in private gardens, where natural materials are omnipresent.

Its serene elegance and discreet refinement are worthy of its recent membership of the prestigious Relais & Châteaux association.

Out of sight of the world, our guests can enjoy various activities on the motu: on or underwater, at the spa for a sauna or massage, or even in the various fields and gym.

Surrounded by extraordinary flora and fauna, we care a lot about our environment. The Coral Garden was created for the purpose of restoring and regenerating damaged and broken corals. Guests can enjoy the coral nursery and the work of marine biologists with stunning views of the majestic Mount Otemanu.

In the kitchen, in one of our three restaurants, at the spa or at the reception, whether sommelier, masseur or guide, our staff demonstrates their passion for their country and its traditions, all guardians of the flame from which they draw their warm welcome and generous hospitality.

## Relais & Châteaux

Charming houses where we like to share the passion for beauty and the good.

At Relais & Châteaux, we strive to be true artisans in the hotel and catering industry. We see ourselves as both heirs and gatekeepers to the great cultural history of hospitality and world cuisine and we choose to be faithful to the mission we have given ourselves : preserve and transmit the uniqueness of cuisine and to remind every day, through our practice of craftsmen, that our humanity is always expressed and resourceful in sharing the beautiful and the good.

LE BORA BORA

# About Bora Bora

Just a fifty-minute flight from the capital island of Tahiti, Bora Bora offers the picture-perfect vision of paradise.

With a lagoon famed to be one of the most beautiful ones on the planet, and Mount Otemanu majestically rising towards the sky, romantics and artists have laid claim to this island of overpowering beauty.

The pearl string like motu islets encircle the dazzling lagoon, home to myriads of colorful tropical fish and rays.

Bora Bora is love at first sight, and once seen is never forgotten.

From the moment you land on Motu Mute where the airport is located, you will be greeted by the scent of “Tiare Tahiti” or “Tipanie” (plumeria) flower leis. It is a tradition in the Islands of Tahiti: they welcome you with flowers!

Did you know that Bora Bora’s original name was Pora Pora? Pora Pora, meaning “first born”, came from legends describing this as the first island to rise when supreme god Taaroa, fished it out of the waters after the mythical creation of Havai’i, now known as Raiatea. Although the first letter “B” does not exist in the Tahitian language, when Captain Cook first heard the name he mistook the softened sound of the Tahitian “P” for “B” and called the island Bola Bola.
