FARE MESSAGE

FARE MASSAGE

The Fare Massage Vanira delivers a true moment of well-being, solo or in pairs, in a peaceful setting with unobstructed views of the lagoon and surrounding vegetation.

Nestled in lush vegetation on the edge of the lagoon, it offers a selection of treatments inspired by local traditions.

The products used are derived from the island's natural resources: Monoï infused with Tiare flowers, coconut pulp scrub from our own coconut grove, nourishing coconut oil, and soothing aloe vera.

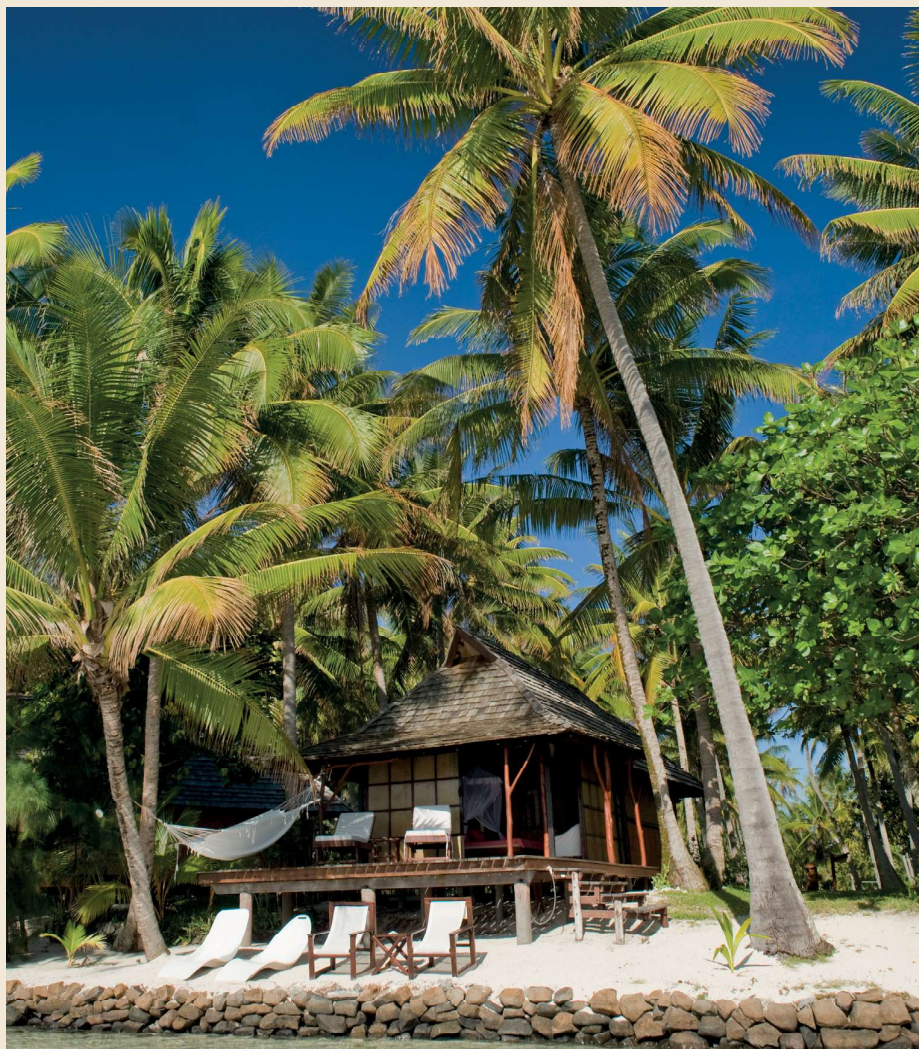

Designed to revitalize the skin and release tension, our treatments cater to both travelers seeking rest and those drawn to authentic rituals.

WEDDING & ROMANTIC SERVICES

Between a crystal-clear lagoon and the endless ocean, our private island offers a preserved and tranquil setting to celebrate a special moment as a couple—be it a vow renewal or a traditional Polynesian ceremony.

A Tahitian priest (Tahu'a), dressed in ceremonial attire, officiates the union in the local language. The blessing with coconut water is followed by a symbolic ritual: the couple is wrapped in a tifaifai (a traditional Polynesian quilt) and receives a marriage certificate inscribed on tapa, a bark cloth crafted according to ancestral customs.
