

TEMPORARY CLOSURE FOR AN ENHANCED EXPERIENCE

Our property is currently closed from February 1st to March 31st, 2026 inclusive, for enhancement works on our accommodations. We are taking advantage of this pause to renovate our Beach Suites, Beach Bungalows and our Overwater Bungalows, refresh our Royal Villa, and add new facilities that will enrich our guests' experience.

BEACH SUITES TO DISCOVER EXCLUSIVELY

Our renovated Beach Suites blend the elegance of premium materials with high-end contemporary comfort. Spacious and bright, they offer a warm atmosphere where Polynesian authenticity meets refinement.

The renovated Beach Suite is only the first step of our transformation. We look forward to unveiling more very soon. Our team remains at your disposal during this period.
