

WAIKIKI BEACH RESORT

February 5, 2026

Aloha,

We're pleased to share an advance update as OUTRIGGER Waikīkī Beach Resort enters an exciting new chapter. As the first property to bear the OUTRIGGER name, this resort holds a special place in our story.

Beginning Monday, March 2, the resort will undertake a series of thoughtful enhancements, part of a broader transformation designed to elevate the guest experience while honoring its legacy as the iconic home of surf culture and the original site of the Outrigger Canoe Club.

Throughout this period, the resort remains open and welcoming guests – partners can continue to sell the property with confidence. The Signature Experiences that define the property continue uninterrupted — from Duke's Waikīkī, the original barefoot beach bar and beloved Hula Grill, alongside live music nightly at Blue Note Hawai'i, to the pool area and direct beach access, supported by Aqualani Beach Services and authentic ocean experiences through Faith Surf School.

As part of these enhancements, select areas of the resort are being refreshed. Guests may notice intermittent daytime activity, carefully scheduled Monday through Friday between 9:00 a.m. and 4:00 p.m. Evenings and weekends remain quiet and uninterrupted. This approach allows us to thoughtfully enhance the property while maintaining a relaxed and enjoyable guest experience.

Transparency, care and sense of place remain central to the OUTRIGGER Way. Our on-property hosts are actively managing the schedule and are fully engaged to support guests throughout their stay. We appreciate your partnership in sharing these expectations with upcoming arrivals.

Mahalo for your continued trust and collaboration.

Warm regards,

Steve Miller
General Manager, OUTRIGGER Waikīkī Beach Resort
